Send the completed form with a photocopy of your state ID (drivers license) or federal ID (passport) to either of the e-mail addresses listed below OR send them via post office mail to the Pease Greeter address above.

Afterwards, you will be e-mailed a Pin Number to get flight info through the Flight Hotline phone number listed above. When prompted, hit the Star button then input the Pin Number. The first time you arrive to a troop flight greet after September 30th, you must check in with either Ron Wilhelm or Bob Stewart to complete the verification.

Please remember that this sign-up process will be repeated yearly on the anniversary month of your signing-up. You will be notified by e-mail prior to next year's sign-up renewal.

See you at a greet!
